Hi Rock,

Your email message came on my last day in the office before vacation and I'm afraid it slipped through the cracks. I'm sorry about that. If you are still interested in discussing UIC issues, I would be happy to set up a call or meeting.

Thanks,  
David

David:

Hope all is well. I wanted to see if we could get together informally regarding the UIC program. It's been a couple years since the last time we talked on the subject and I had some questions. Let me know if you are available for me to come by your office.

Best,
